Melissa's dedication and care in her work is shown daily in her commitment to help Learn and Play succeed. Melissa's care and excitement about Learn and Play is apparent when she shares about the sessions she attends. She is always excited to share the unique successes of each group while also being the first person to offer up recommendations or suggestions for facilitators who may be struggling. What is the name of the person/team you are recognizing?

Francisca Jimenez

What category are you recognizing this person/team for?

Heart of Gratitude

Details on why this person/team is being recognized.

It was hard to pick a category for Francisca because I truly believe she is worthy of any nomination from any category. I've had the opportunity to work with Francisca for many years and she has always been a very genuine and kind coworker. From my early days working alongside RCDC to then being an actual RCDC employee Francisca has always made me feel welcome. Currently I am on my breast-feeding specialist journey and Francisca has been open to helping me in this area. She recently loaded me up with some work supplies for lactation consults and encouraged me on this path. Francisca really has many great tips and resources for most of all the programs we have at RCDC! She is definitely a great role model and mentor for our agency.
