Team Extreme

Details on why this person/team is being recognized.

I would like to thank the staff/travelers who often office out of the Liberal office. Everyone is fun and professional, and I enjoy working with them. In particular, Brook, Emily, May, Itzel (OT student), Victoria and Remi, this staff spends considerable amounts of time in the Liberal office, and it has been a great experience having more staff in and out of our office, this promotes team building. Everyone has been thoughtful of each one's personal space and has shown consideration in taking care of our office.

Coaching Facilitators- Tiffany Almaguer, Bethanee Pasek, Erika Garcia and Corinna Hines

What category are you recognizing this person/team for?

Team Extreme

Details on why this person/team is being recognized.

I would like to nominate the coaching facilitators for team extreme. The coaching facilitators have been meeting once a month for a monthly zoom meeting with other coaching facilitators and then we meet together as an internal team once a month. This team also facilitates our team meetings and are responsible for making sure items are on the agenda and they lead the meeting by coaching other providers. They have recently taken on a new responsibility of doing some mentoring with new staff and are reaching out to Learn and Play Facilitators to attend those playgroups and work on child find. I appreciate their willingness to take on these new responsibilities along with their busy caseloads. Their knowledge, flexibility and leadership is appreciated and noticed. Thank you for guiding new staff and making sure that we are providing services with fidelity. I appreciate what you are doing and am lucky to have a great knowledgeable team by my side. Thank you for your work.

What is the name of the person/team you are recognizing?

Triple P Team

What category are you recognizing this person/team for?

Team Extreme

Details on why this person/team is being recognized.

I am nominating the Triple P. team today, I feel like they truly deserve a recognition for all their hard work and dedication. We have been in short supply of Triple P. coaches recently, with one going on maternity leave. I have observed these girls take on the their co-workers case load on top of their own full case loads, and continue taking on new kiddos as new referrals come in. Not to mention some of these girls wear others hats as well some of them are also part of finding the light program or the ABC-caring a separate case loads. To say these girls are busy is and understatement. But they have taken on the challenge with grace, and resiliency. These girls are the definition of team work.
