**Details on why this person/team is being recognized.**

I would like to nominate the Building Blocks Data Team for Team Extreme. As someone who is Mathematically Challenged (there was a reason I never taught above 1st grade in my previous career), I have a genuine appreciation for those who understand numbers. I love that we have amazing "Data Diggers" (some might even use the term of endearment, "Data Nerds") to comb through all of our numbers for the ECBG grant. This is no easy task!

There are children and families involved in numerous ECBG programs as well as some also involved in Part C services (both local and outside of RCDC catchment area). Not to mention families enrolled with differently spelled first and/or last names, children enrolled in multiple programs with both biological caregivers as well as kinship/foster caregivers, children and families exited then re-enrolled, possibly with a different caregiver for this re-enrollment...the thousands of enrollment combinations seem endless. Some might liken this to the endless soda combinations at your local Sonic Drive In. It has to be exhausting!

But the team somehow manages to find all of those combinations, dig out the necessary data and properly report the numbers to the funders. This is truly a feat worth commending! Thank you for all you do!

Team Extreme

**Details on why this person/team is being recognized.**

Thank you to Rebecca, Katrina, and Stephanie for their leadership during our cyber-attack. I appreciate the leadership these three ladies displayed and the transparency throughout the situation. It was, and still remains, a hectic situation (to put it lightly) but knowing we had great leadership throughout it all, made a tough situation more bearable. I appreciate Rebecca for keeping all the staff updated throughout and ensuring us all that we would make it through. Her transparency is admirable. Thank you to Katrina and Stephanie for their flexibility within their programs. An extra big thank you to Stephanie from the early intervention team for being understanding and doing all she can to ensure our paperwork is completed as we are all behind in this area given the circumstances. The strength of a leadership team comes through in tough situations, and we have a great one here at RCDC!
